

### **VOLUNTEERS NEEDED!**

Would you like to experience Long Beach Comic Con from the inside? Join us on September 27 & 28 in beautiful downtown Long Beach for a rewarding and fun-filled weekend surrounded by the hobby you love.

We are looking for a few great Volunteers to assist us with crowd control duties, to assist the exhibitors with their lines and generally be around to help out with all the little things that make a show great. You must be 18 years old or older.

The deal is that you work for us for half of the show, and the other half is spent enjoying everything cool – and the best part is that you get a complimentary pass to the show!

If you're interested, please fill out the following information and fax it (845-787-2499), or scan it and email it back to Caterina at [ctoscano@longbeachcomiccon.com](mailto:ctoscano@longbeachcomiccon.com). We'll reply via email.
